- Invoice requirements:
 - Please print the correct Invoice To address on your invoice as mentioned on the related Purchasing Document – see table below
 - A valid and matching TE Purchasing Document Number must be mentioned on all Invoice documents submitted

 - The correct E-Mail Address to use for your PDF-Invoice E-Mail will always be mentioned on related Purchasing Document, in addition we have listed all matching e-mail/invoice addresses below for TE entities which are able to use this process as of today
 - Your e-mail should not exceed 15 MB of size.
- PDF requirements:
 - Each PDF file can only include one invoice. If one PDF file includes more than one invoice, it will not be accepted for processing.
 - Each E-Mail message may contain multiple different attachments of PDF Invoice files
 - Please only send Invoice documents related to TE Purchasing Documents to this e-mail address. All other documents will be ignored or create delay due to additional clarification required
 - Make sure that your PDF invoice does not contain an empty page
