

Dear Sender,

Please notice that this is a **No-Reply mailbox** dedicated only for sending **invoices/credit notes in PDF format**. **TE will not read your e-mail text**.

To ensure fast invoice processing in the TE system, check the **requirements** that must be met, listed below.

To check the status of your invoices, visit the TE Supplier Portal: <https://supplier.te.com>.

For other AP-related questions, please contact the AP Service Desk Team. Contact details can be found in the table at the bottom of this e-mail.

TE invoice requirements:

- Only invoices/credit notes in **PDF format** are acceptable.
- **One PDF file** must contain **only one invoice/credit note**. Multiple documents in one PDF file will not be processed.
- A valid **TE PO number** must be provided on all submitted invoices/credit notes.
- Issue only **one invoice for one PO**. Invoices containing multiple POs will not be accepted for processing.
- If a TE PO number has not been received, the invoice/credit note must contain the TE requestor's name/contact details or PR number.
- Do not send other documents (e.g. order confirmations, shipping notices, packing lists, vendor statements, etc.) to this mailbox, they will not get processed.
- Each e-mail can contain multiple PDF invoice files, but no more than 20 files.
- A single PDF file must not exceed 7 MB, and an e-mail must not exceed 15 MB.
- Acceptable page size equal to or smaller than A4 or letter size.
- Encrypted, password-protected or zipped PDF files will not be processed.
- Once you submit invoices by e-mail, stop sending hard copy invoices by postal mail or any other method.
