Important Reminders

- CMAP is TE Connectivity's new platform for compliance data collection and management.
- Compliance requests will be issued through CMAP and sent to your designated compliance contacts via email.
- We strongly encourage all individuals responsible for environmental compliance, product stewardship, regulatory affairs, or responsible sourcing activities within your organization to attend a training session.

If you have any questions regarding CMAP or the training sessions, please contact us at **suppliercompliancesupport@te.com**.

Thank you for your continued partnership and support as we implement this important enhancement to our compliance management process.

Kind regards,

Supply Base Compliance & Risk Team
